

# Streamed EZ EDUCATION

## Live Streaming & Lecture Capture Integration Bundles

DOC & PTZ  
CAMERAS

## AFFORDABLE AND EASY TO USE EDU VIDEO BUNDLES

The **Streamed EZ** video production bundles from JB&A includes everything you need for local and remote live streaming, recording, and presentation - bundled with a variety of PTZ, Auto Tracking, and/or Document Cameras. Numerous connectivity, processor and camera choices are available to ensure we have a bundle for every need.

Elevate your next online class presentation with switchable and layered, multi-source production easily from the **Streamed EZ** bundles. Perfect for live streamed and recorded presentations, courses, online classes, tutorials, meetings and conferences, allowing students to watch events happen in real-time and catchup on lectures with recorded videos.
